

Meeting takeaways

SURVEY

- Appointment will be made to document condition of your home
- Property owner has the right to refuse survey
- Encourage property owner to have survey done
- Does not cost property owner anything
- Survey is confidential and will not be released unless Seismic Solutions receives written permission from property owner
- Please respond to request for survey as soon as possible, even if you elect not to have it done.

EXCAVATION OF ROCK

- Mechanical hammer 4 ~6 feet of friable/weathered rock
- Blast remaining solid rock
- Highly regulated
- Explosions are monitored
- Contractor is licensed to perform blasting
- Fire Department will be on site during process

IN CASE OF DAMAGE TO PROPERTY

- Contact Somerville Fire Department
- Contractor will investigate claim
- Seismic Solutions may come back to perform a post inspection
- Note date when damaged condition was observed
- Have 30 days after blasting is complete to file a claim.
